CENTELLA

The extract of asian centella, particularly rich in vitamin A C B1 B2 and carotene, has the incredible ability to optimize the synthesis of collagen and elastin, basic structures of the dermis, resulting in a significant improvement in skin quality. It helps the lymphatic system to drain excess fluids and toxins and at the same time stimulates blood circulation being an excellent remedy against cellulite skin blemish. It prevents and treats the venous insufficiency, cause of swelling and heaviness in the legs and ankles, giving elasticity and firmness to the vascular walls, thus delaying the occurence of inflammatory phases and their complications.

DAUCUS CAROTA SATIVA

The extract of the Daucus Carota Sativa, particularly rich in minerals, vitamins A C B1 B2 and carotene, turns out to be an excellent nourishment for the skin. It helps the lymphatic system to drain away excess toxins and liquids, stimulates the microcirculation and the consequent oxygenation of the tissues, giving the skin hydration, elasticity and tone.

FENUGREEK

Rich in saponins, phytoestrogens, alkaloids, vitamins A, B1, C, PP, lysine, mineral salts ,it has emollient, antioxidant and stimulating properties, making it the essential active ingredient in the treatment of skin affected by sagging skin, dryness and stretch marks.

HOP

By virtue of their moisturizing, softening and stimulating epidermal turnover activity , Hops extracts are particularly indicated in the prevention and cosmetic treatments of imperfections due to skin aging such as loss of tone and skin elasticity.

CHLORELLA PYRENOIDOSA

A monocellular alga well known for its ability to allow the body to expel harmful toxins from tissues. Recalling oxygen, ensures an efficient cellular exchange allowing the skin to maintain its natural youth over time.

PURE SWEET ALMOND OIL

Rich in Vit. A B E and MINERALS it is known for its multiple properties, fights skin aging and dryness, prevents the formation of cellulite by reinvigorating the peripheral circulation and reducing water retention.

SHEA BUTTER

Particularly rich in vitamins, it carries out nourishing and antioxidant actions. At the same time it creates a protective film on the skin, protecting it from external aggressions, from the cold and dehydration, leaving it soft and supple.
