NEUTRAL MASSAGE CREAM
Guaranà, Caffeine

Format 500 ml
Cod. 1010020010

Neutral cream particularly indicated for the generic massage. Thanks to its balanced formulation and its high fluency, it is the ideal product in general or sports massage. Enriched with Guaranà extract and Caffeine, it plays an important draining and stimulating action of the metabolism. It leaves the skin smooth soft, hydrated and in synergy with the skilful massage of the professional, helps to restore tone to relaxed tissues.

GUARANÀ

The extract of Paulinia Cubana fruit is particularly rich in antioxidant and stimulating substances. It exerts an important anti-aging action of the epidermal cells, protecting them from the oxidation of free radicals. Particularly rich in caffeine as well as other important stimulating components, it increases lipid metabolism and blood circulation with a consequent increase in blood oxygenation. This prevents the accumulation of lactic acid in the muscles, improving recovery time after intense sporting activity.

CAFFEINE

Caffeine stimulates blood flow, eliminating interstitial fluids between cell and cell and awakening cellular activity and consequent lipid metabolism. It is therefore the ideal natural active ingredient, in cases of need for localized body fat reduction. Particularly moisturizing, antioxidant and regenerating, it provides nourishment and protection to the skin, keeping it young over time.

LEMON

Lemon has important draining properties. It stimulates the microcirculation and helps awaken the metabolism of fats. The high concentration of vitamin C, makes it a valid aid for restoring and strengthening the venous vestibule.

PURE SWEET ALMOND OIL

Sweet almond oil, rich in Vit. A B E and Minerals, is known for its multiple properties: it fights skin aging and dryness and prevents the formation of cellulite by reinvigorating the peripheral circulation and reducing the water retention.

SHEA BUTTER

Particularly rich in vitamins, it performs nourishing and antioxidant actions. At the same time it creates a protective film on the skin protecting it from external aggressions, from the cold and from dehydration, leaving it soft and elastic.

CARNITINE

It carries out an important slimming and firming action, thanks to its vessels protective and anti-edematous properties in association to lipolytic ones.
